2. (Internal Use Only - JSW) The Director met with the combined CIA Subcommittees of Senate Armed Services and Senate Appropriations beginning at 10:30 a.m. See Memorandum for the Record.

3. (Unclassified - MKS) Kay Adams in the office of Representative Robert N. Giaimo telephoned saying she understood we had available a publication entitled "China - Provisional Atlas for Administration Units" and the Representative would like to have a copy. A copy was sent to Miss Adams by courier.

4. (Unclassified - MKS) Helen Mattas, House Foreign Affairs Committee, telephoned asking that we forward to her for a constituent of one of the members any material we might have about CIA which could be given to a student who was writing a paper about the Agency. This material was forwarded to Miss Matthas by courier.

5. (Unclassified - JSW) Met with Representative W. Pat Jennings who represents Powers' home district. Carl McAfee, attorney for Oliver Powers, had been seeking information from Jennings. Jennings was interested in whether or not McAfee had any authority to act for Francis Gary Powers. I informed him that this was not so. It developed that in fact McAfee is laying plans to run against Jennings in the district. Jennings sought information on the substantive aspects of Powers and I explained that I could not deal with this until the release of the material at noon the following day. Generally Jennings seemed satisfied.

6. (Unclassified - GLC) Upon returning from the briefing of the Senate Armed Services and Appropriations CIA Subcommittees, advised Mr. Carl Marcy, of the Senate Foreign Relations Committee staff, and Mr. Al Westphal, of the House Foreign Affairs Committee staff, that Francis Gary Powers would be appearing before the full Senate Armed Services Committee in open session at 2:00 P.M. tomorrow afternoon but that the Director still planned to appear before the Foreign Affairs and Foreign Relations Committees as scheduled. 8. (Unclassified - GLC) [redacted] Biographic Register, STAT called to say that someone in the State Department security office had been in touch with his office and wished to know if it was alright for a high State Department official to quote from a classified Agency document in an appearance before a congressional committee. Radford did not know the name of the official, the document concerned or the committee involved. I suggested that he inform the contact in the State Department to take this matter up through their legislative liaison office. He agreed to do so.

9. (Unclassified - GLC) Mr. Andrew McCutcheon, in the office of Representative J. Vaughan Gary (D., Va.), called and asked if a press conference had been scheduled for Francis Gary Powers. I advised him that Powers would appear in open session before the Senate Armed Services Committee at 2:00 P.M. tomorrow but that no press conference was scheduled. He thanked me for this information.
